

Parents will:

- 👍 Respect practice and game schedules with timely attendance and will notify coaches when their child cannot attend.
- 👍 Will drop off child no earlier than 10 minutes before scheduled practice time and pick-up immediately after practice.
- 👍 Will support the coach's decisions. If differences of opinion arise, will NOT put child in the middle of the issue.
- 👍 Will leave coaching to coaches – on and off the court. Yelling instructions to children during a game is strictly discouraged. It confuses the child and interferes with the coaches instructions.
- 👍 Will reinforce that children show respect for school facilities, coaches, and other players at all times.
- 👍 Will set an example, and reinforce with our children, that foul and abusive language is NEVER acceptable in any situation at any time.
- 👍 Will contribute to the success of St. Mark Athletics by volunteering your time and getting involved.
- 👍 Will contact your coach directly with any concerns. If those concerns are not met, contact your sports commissioner,
or Tim Schmidt, Athletic Director (tim.schmidt@stmarksports.org)
